Doctoral Program in
Cognitive Science

First Year Project Committee Form

Students must complete a first-year project during their first year of enrollment in the Doctoral Program in Cognitive Science. The project typically consists of one or more experiments conducted and analyzed by the student. The project proposal must be submitted by 5:00 p.m. on the first day of the Spring semester of their first year (in January) and must be approved by your First-Year Project Committee (FYPC). The FYPC should be formed within 6 weeks of the start of your first semester, and must be indicated on this form. After completing the form and gathering all signatures, please return the form to the Cognitive Science Program Director.
