

Curriculum Vitae

Kevin J. Armstrong, Ph.D. (last updated June 2019)

<u>Current Appointment</u>	Associate Professor (& Licensed Clinical Psychologist) Tenured August, 2000
<u>Professional Address</u>	Department of Psychology P.O. Box 6161 Mississippi State University Mississippi State, MS 39762-6161
<u>Telephone/E-mail</u>	Office: (662) 325-7657 Fax: (662) 325-7212 E-mail: kja3@psychology.msstate.edu
<u>Personal</u>	Marital Status – Married, 2 children Citizenship - United States of America
<u>Licensure Status</u>	Licensed Psychologist, Mississippi (License #36-626) since 12/17/98. [I had previously maintained the doctoral level "Psychologist Limited License" through the State of Michigan's Board of Psychology from 8/92-8/97 (License #6301008658).]

Research and Professional Interests:

- (1) Nonprescription use of psychostimulant medication
- (2) Applications of the Scientist-Practitioner model
- (3) The empirical evaluation of diagnostic, assessment and treatment approaches
- (4) Conceptual, diagnostic, and treatment issues re: Attention Deficit-Hyperactivity Disorder and Externalizing Disorders, in general
- (5) Social validity and informed consent procedures

EDUCATIONAL BACKGROUND

- 6/84-5/92 Ph.D. in Psychology (emphasis in Clinical Psychology) at the Illinois Institute of Technology, Chicago, IL, under Robert Schleser, Ph.D. (Full APA accreditation). Degree conferred 5/92.
- 8/90-8/91 Resident in Clinical Psychology at the University of Mississippi Medical Center/Veterans Administration Hospital Consortium, Jackson, MS. Major advisor, Ronald S. Drabman, Ph.D. (Full APA accreditation).
- 8/78-6/82 B.A. in Psychology from Carleton College, Northfield, MN.

PROFESSIONAL EXPERIENCE

Academic Appointments

- 8/99 -present **Associate Professor**, Department of Psychology, Mississippi State University, Mississippi State, MS. Member of Clinical Psychology Training Program. Teach graduate courses in "Psychopathology," "Systems & Theories of Psychotherapy," "Ethical & Professional Issues in Clinical Psychology," "Behavior Therapy," and "Introduction to Clinical Practicum" as well as undergraduate courses in "Abnormal Psychology," "Introduction to Clinical Psychology," "Introduction to Child Clinical Psychology," "General Psychology," "Honors in General Psychology," and "Behavior Modification" (both on-line and in person).
- 8/97-8/99 **Assistant Professor**, Department of Psychology, Mississippi State University, Mississippi State, MS. Member of Clinical Psychology Training Program. Taught graduate "Psychopathology" and undergraduate courses in "Abnormal Psychology," "Introduction to Clinical Psychology," and "General Psychology."
- 8/92-8/97 **Assistant Professor**, Department of Psychology, Western Michigan University Kalamazoo, MI. Member of Clinical Psychology Training Program. Taught graduate courses in "Analysis of Abnormal Behavior (Psychopathology)," and "Social & Cognitive Processes in Developmental Psychology," and taught undergraduate courses in "Introduction to Child Clinical Psychology" and "Abnormal Psychology" (regular and Honors College sections). Supervised graduate student teachers of undergraduate courses. Supervised doctoral level practicum in the Training Clinic.
- 8/91-8/92 **Instructor**, Department of Psychology, Western Michigan University, Kalamazoo, MI. Taught graduate "Analysis of Abnormal Behavior (Psychopathology)," and undergraduate "Abnormal Psychology."
- 1/90-5/90 **Teaching Assistant**, Department of Psychology, Illinois Institute of Technology Chicago, IL. For graduate level course "Advanced Practicum: Sports Psychology" taught by Robert Schleser, Ph.D.
- 8/89-5/90 **Adjunct Instructor**, Elmhurst College, Elmhurst, IL. Taught undergraduate courses in "Abnormal Psychology" and "Child Development and Learning." Appointed to faculty in 8/89.

Research

- 8/13-present **Director, Externalizing Disorders Lab**, Mississippi State University, Starkville, MS. Supervision of research projects targeting the topography of externalizing behaviors, etiologies, risk factors, and potential treatments. Multiple recent projects focused on college student diversion of prescription stimulant medications & ADHD in emerging adults.
- 8/91-8/97 **Director, Clinical Problem Behaviors Lab**, Western Michigan University, Kalamazoo, MI. Supervision of research projects targeting behavioral, social, and cognitive processes involving individuals identified with externalizing behavior problems such as Attention Deficit Hyperactivity Disorder and the research conducted with these populations. Other areas of study included self-report of prescription medication diversion and substance use.
- 8/91-8/97 **Director, Child Behavior Laboratory**, Western Michigan University, Kalamazoo, MI. Supervision of research projects targeting behavioral, social, and cognitive processes in children identified as Attention Deficit Hyperactivity Disordered. Other areas of study included children's self-report of substance use, laboratory analogues of self-control, HIV and ADHD in adolescents, and the use of interactive video on personal computers as a therapy adjunct.
- 5/89-8/89 **Acting Research Lab Director**. Illinois Institute of Technology, Chicago, IL Robert Schleser, Ph.D., advisor. Supervised lab research activities while Dr. Schleser was a visiting professor in Hawaii.
- 2/88-8/89 **Research Associate**. Rehabilitation Institute of Chicago, at the Northwestern University Medical Center, IL, Allen Heinemann, Ph.D., director. Worked on NIDRR funded grant, "Assessment and Prevention of Chemical Dependence Following Spinal Cord Injury." Conducted interviews, data collection, data analysis, manuscript preparation, and computer maintenance (e.g., handled hardware/software updates & data backup procedures).
- 12/87-4/88 **Statistical Consultant**, Northwestern University, Evanston Hospital, Evanston, IL, Barbara L. Trommer, M.D. and Jo-Ann Hoeppner, Ph.D., co-directors. Data addressed parental report of sleep characteristic differences between ADD children and clinic controls.
- 9/86-8/87 **Research Assistant**, Northwestern University, Evanston Hospital, Barbara L. Trommer, M.D., director. Collected electrophysiological data and conducted initial data analysis for brain mapping studies of ADD and normal children. Collected and analyzed data for continuous performance tasks. Supervised undergraduate interns.

- 8/85-8/86 **Project Director.** Illinois Institute of Technology, Chicago, IL, Robert Schleser, Ph.D., supervisor. Administered large-scale study on effects of self-instructional training on academic and classroom behavior of nonself-controlled fourth graders in city parochial schools.
- 9/85-6/85 **Therapist and Research Assistant.** Department of Special Education, University of Illinois at Chicago. Ronald Brown, Ph.D. and Robert Schleser, Ph.D., directors. Tested and trained ADD children in a study examining the effects of methylphenidate and self-instructional training on academic performance and classroom behavior.

Professional Practice and Supervision

Direct Service Provision

- 12/00 - present **Consulting Psychologist,** Kosciusko Group Home of the HUDSPETH Regional Center, Kosciusko, MS. Provide assessment, behavioral programming, and staff training for a 20-bed intermediate care facility with developmentally disabled adults.
- 5/93-8/97 **Staff Affiliate (Psychologist Limited License),** Pine Rest Christian Counseling Center, supervised by J. Scott Allen, Jr., Ph.D. Provide therapy and assessment of adult and child outpatient cases. Appointed to the Attention Deficit-Hyperactivity Disorder and Related Behaviors Clinic. Kalamazoo, MI.

Clinical Supervision of Post-Doctoral Clinical Work

- 7/12 – 7/16 **Supervisor,** to doctoral level clinical psychologists seeking licensure, Counseling Center at Mississippi State University.

Clinical Supervision of Graduate Students

- 10/15-present **Supervisor,** Mississippi State University's Psychology Clinic. Provided supervision to doctoral student(s) on internal practicum therapy and assessment cases in different semesters.
- 8/92-8/97 **Supervisor,** Western Michigan University's Clinical Psychology Program Training Clinic. Provided to doctoral students on internal practicum for therapy, assessment, and supervision of cases. Supervised J. Scott Allen, Jr., Ph.D., Patricia M. Meinhold, Ph.D., Malcolm Robertson, Ph.D., and C. Richard Spates, Ph.D.. Program fully APA accredited.
- 8/88-7/90 **Student Supervisor,** Illinois Institute of Technology, Clinical Psychology Program, Chicago, IL. Supervised practicum students providing (1) assessments for the Department of Children and Family Services, (2) consultations to parochial grade school teachers regarding children with behavioral difficulties, and (3) therapy services to mental health clinic patients. Supervision from Karen Budd, Ph.D. and Robert Schleser, Ph.D. Program fully APA accredited.

**APA Approved Internship (Completed at University of Mississippi
Medical Center and Jackson V.A. Hospital Consortium)**

8/90-8/91 **Therapist**, Psychological Associates. Supervised by Geary Alford, Ph.D. and Ronald S. Drabman, Ph.D.. Therapy and assessment with inpatient adults and outpatient adults, children, and families.

Psychology Resident, Behavioral Consultation and Education Program, supervised by Phil Godding, Ph.D. Conducted neuropsychological screening; differential diagnosis of psychiatric and medical patients; trained medical students; conducted group therapy with oncology patients

Psychology Resident, Child Clinical/Community and Child and Adolescent Outpatient Clinic, supervised by Ronald Drabman, Ph.D. Conducted outpatient therapy regarding behavior problems at home and school. Conducted workshops. Consulted to community agencies.

Graduate Practicum Training

8/85-7/86 **Psychology Extern**, Pilsen Little Village Community Mental Health Center. Supervised by Stephen N. Haynes, Ph.D. and Helen Glick, M.A.. Conducted psychotherapy (individual and marital cases) and assessment with adult outpatients from a primarily Hispanic neighborhood. Co-authored proposals for decreasing the rehospitalization rate of mental health patients and assessing the efficacy of medication groups.

7/86-6/87 **Psychology Extern**, Evaluation Center for Learning, Evanston Hospital & Northwestern Hospital. Supervised by Rudy Lorber, Ph.D. and Jo-Ann Hoepfner, Ph.D.. Conducted intellectual and neuropsychological assessments with inpatient and outpatient adults and children. Provided therapy to parents using G. R. Patterson's social learning based parent training program. Conducted on-site assessments of children's behavior and academic problems. Performed double-blind with placebo drug trial evaluations for ADHD children (methylphenidate).

Other Graduate Clinical Training

6/88-6/90 **Sport Psychologist Trainee**, Sayre Park Olympic Weight-lifting Club, Chicago, IL. Robert Schleser, Ph.D., clinical supervisor. Provision of psychological services to national and international caliber athletes.

8/87-7/89 **Psychological Examiner**, consulting to the Department of Children and Family Services, Chicago, IL. Supervised by Robert Schleser, Ph.D. and Karen S. Budd, Ph.D.. Conducted individual/family assessments of abused and neglected children.

9/87-6/89 **Therapist and Research Assistant**, Illinois Institute of Technology, Chicago IL, Robert Schleser, Ph.D., Director. Teacher Consultation Project. Provided structured cognitive-behavioral interventions to nonself-controlled elementary-aged minority children in the Chicago Catholic School system.

Inpatient Experience

- 9/84-9/85 **Mental Health Worker**, Charter Barclay Hospital, Chicago, IL. Milieu management, treatment planning, charting, co-leader of group therapy for sexually abused adolescents and for depressed adults.
- 12/00-present **Consulting Psychologist**, Kosciusko Group Home (an intermediate care facility for intellectually disabled adults), Kosciusko, MS. Coordinated psychological assessments and behavioral programming, and provided training to staff.

- Smith, S. L., Howell, L. A., Skinner, C. H., Armstrong, K. J., & Watson, T. S. (2000, November). *Reported treatment acceptability ratings of an intervention described in behavioral versus non-behavioral terms.* Paper presented at the annual meeting of the Mid-South Educational Research Association, Bowling Green, KY.
- Howell, L. A., Smith, S. L., Skinner, C. H., Armstrong, K. J., & Watson, T. S. (2000, November). *Increasing treatment acceptability among teachers by modifying jargon usage.* Paper presented at the annual meeting of the Mid-South Educational Research Association, Bowling Green, KY.
- Howell, L. A., Smith, S. L., Skinner, C. H., Armstrong, K. J., & Watson, T. S. (2001, May). Evaluating acceptability of an intervention stated in behavioral versus non-behavioral terms. In T. S. Watson (Chair), *Investigating Variables that Affect Treatment Integrity.* Symposium conducted at the annual meeting of the Association of Behavior Analysis, New Orleans, LA.

- Cowles, N., & Armstrong, K. J. (2001, November). *Parental report regarding father involvement and noninvolvement in mental health interventions for children*. Poster session presented at the annual meeting of the Association for the Advancement of Behavior Therapy, Philadelphia, PA.
- Dawkins, L., Hartley, J., Haddox, J., Myers, L., & Armstrong, K. J. (2002, November). *How prior treatment response and ADHD diagnostic status are documented in JACP & a high-impact pediatric journal: Who is the ADHD literature using as participants?* Poster session presented at the annual meeting of the Association for the Advancement of Behavior Therapy, Reno, NV.
- Hartley, J. M., Haddox, J., Dawkins, L. S., & Armstrong, K. J. (2004, March). *ADHD diagnostic practices reported in high impact journals across disciplines*. Poster session presented at the annual meeting of the Southeastern Psychological Association, Atlanta, GA.
- Hong, J. H., & Armstrong, K. J. (2004, November). *Comorbidity within AD/HD research samples in Korean and U.S. journals*. Poster session presented at the annual meeting of the Association for the Advancement of Behavior Therapy, New Orleans, LA.
- Pritchard, N., & Armstrong, K. J. (2009, February). *Can Physician-Hosted ADHD Videos Affect Knowledge, Opinions, and Referral Attitudes?* Poster session presented at the annual meeting of the National Association of School Psychologists, Boston.
- Morse, M., & Armstrong, K. J. (2012, August). *An experimental manipulation of social desirability on substance use self-report among adolescents*. Poster session presented at the annual meeting of the American Psychological Association, Orlando.
- Morton, H., Keeley, J., & Armstrong, K. J. (2012, August). *Current trends in researcher methodology regarding the Asperger's Disorder diagnosis*. Poster session presented at the annual meeting of the American Psychological Association, Orlando.
- Kirk, C., Hurdish, E., Roussin, L., Peterson, D., Ballard, E., Finnegan, A., Mauldin, E., Smith, M., & Armstrong, K. J. (2012, November). *ADHD girls in high impact journal samples: Areas of improving and inadequate representation*. Poster session presented at the annual meeting of the Association for Behavior and Cognitive Therapies, National Harbor, MD.
- Timmons, T., Morton, H. E., Keeley, J. W., & Armstrong, K. J. (2012, November). *Research assessment methodologies used for the 'Asperger's Disorder' diagnosis*. Poster session presented at the annual meeting of the Association for Behavior and Cognitive Therapies, National Harbor, MD.
- Hurdish, E., Morton, H. E., Keeley, J. W., & Armstrong, K. J. (2012, November). *Intellectual assessment methodologies used to describe the 'Asperger's Disorder' diagnosis*. Poster session presented at the annual meeting of the Association for Behavior and Cognitive Therapies, National Harbor, MD.

- Morse, M., & Armstrong, K. J. (2012, November). *Can a simple manipulation of social desirability change late adolescents' attitudes towards substance use by peers?* Poster presented at the annual meeting of the Association for Behavior and Cognitive Therapies, National Harbor, MD.
- Morse, M. C., & Armstrong, K. J. (2013, August). *Parental factors, social desirability, and perceived risk of marijuana use among adolescents.* Poster presented at the 121st annual meeting of the American Psychological Association, Honolulu, HI.
- Kinman, B., Murphy, D. P., Hachtel, J. C., Carney, E. E., Bates, K., Armstrong, K. J. (2014, March). *Prescription sharing by roommates, not family, predicts stimulant medication diversion.* Poster presented at the annual meeting of the Southeastern Psychological Association. Nashville, TN.
- Kinman, B., Hachtel, J. C., Bates, K., Carney, E. E., Murphy, D. P., Armstrong, K. J. (2014, March). *Prevalence of sharing and selling of nonprescription stimulant medication.* Poster presented at the annual meeting of the Southeastern Psychological Association. Nashville, TN.
- Hachtel, J. C., Kinman, B., Bates, K., Carney, E. E., Murphy, D. P., Armstrong, K. J. (2014, March). *Stimulant medication misuse by honors students and Greek organization members.* Poster presented at the annual meeting of the Southeastern Psychological Association. Nashville, TN.
- Hachtel, J. C., Kinman, B., Carney, E. E., Bates, K., Pagan, C., Whittle, J. L., Hood, K., & Armstrong, K. J. (2014, November). *Nonprescription stimulant misuse on campuses - Not just a Greek male problem.* Poster presented at the annual meeting of the Association for Behavioral & Cognitive Therapies, Philadelphia, PA.
- Kinman, B., Hachtel, J. C., Rieves, A. K., Hood, K., & Armstrong, K. J. (2014, November). *College student use of prescribed and nonprescribed stimulants: Gender, appetite suppression, and body dissatisfaction.* Poster presented at the annual meeting of the Association for Behavioral & Cognitive Therapies, Philadelphia, PA.
- Hachtel, J. C., Cain, T. D., Pagan, C. P., Power, A. K., McCain, O., & Armstrong, K. J. (2015, November). *College student misuse of nonprescription stimulants, alcohol, and energy drinks by Greek status and ADHD Hyperactive/Impulsive self-ratings.* Poster presented at the annual meeting of the Association for the Behavioral & Cognitive Therapies, Chicago, IL.
- Hachtel, J. C., & Armstrong, K. J. (2016, March). *Illicit use of stimulant medications: Gender differences in risk perception.* Poster presented at the annual meeting of the Southeastern Psychological Association, New Orleans, LA.
- Kinman, B., Hatchel, J., Messina, B. G., Armstrong, K. J. (chair), & Hood, K. B. (chair). (2016, March). *Risk factors for non-prescription stimulant use.* Symposium presented at the annual meeting of the Southeastern Psychological Association, New Orleans, LA.
- Dorr, M. M., Hachtel, J. C., & Armstrong, K. J. (2016, November). *Sensitivity and specificity of the ADHD assessor versus screener in a college sample.* Poster presented at the annual meeting of the Association for Behavioral and Cognitive Therapies, New York.

Hachtel, J. C., Dorr, M. M., & Armstrong, K. J. (2016, November). *Disapproval of non-medical use of prescription stimulants linked to purpose and frequency*. Poster presented at the annual meeting of the Association for Behavioral and Cognitive Therapies, New York.

Hachtel, J. C., & Armstrong, K. J. (2017, March). *Illicit use of prescription stimulants and aggressive and risky behaviors*. Poster presented at the annual meeting of the Southeastern Psychological Association. Atlanta, GA.

Dorr, M. M., Hachtel, J. C., & Armstrong, K. J. (2017, March). *Evidence for self-medication of ADHD symptoms by students without prescriptions*. Poster presented at the annual meeting of the Southeastern Psychological Association. Atlanta, GA.

Nayfa, K., Hachtel, J. C., & Armstrong, K. J. (2017, March). *African American college students' nonprescription stimulant use and risk/benefit perceptions*. Poster presented at the annual meeting of the Southeastern Psychological Association. Atlanta, GA.

Dorr, M. M., & Armstrong, K. J. (2017, November). *Risk and benefit perceptions for illicit use of prescription stimulants by upperclassmen vs. freshmen*. Poster presented at the annual meeting of the Association for Behavioral and Cognitive Therapies, San Diego.

Nayfa, K. L., Hachtel, J. C., & Armstrong, K. J. (2019, March). *Racial/Gender differences in collegians' risk-benefit perceptions of nonprescription stimulants*. Presented at the annual meeting of the Southeastern Psychological Association in Jacksonville, FL.

PROFESSIONAL CONFERENCE PRESENTATIONS (Accepted for presentation)

Nayfa, K. L., & Armstrong, K. J. *Racial/ethnic differences in risk/benefit perceptions underlying illicit use of prescription stimulants*. Accepted for presentation at the annual meeting of the Association for Behavioral and Cognitive Therapies, Atlanta.

Nayfa, K. L., & Armstrong, K. J. *Illicit prescription stimulants and body image: Racial protective factors in college students*. Accepted for presentation at the annual meeting of the Association for Behavioral and Cognitive Therapies, Atlanta.

GRANT ACTIVITY

\$3,300	New Faculty Research Support Program Grant through the Vice-President's Office of Research, Western Michigan University. Funded in 9/91.
\$3,750	"Effects of Stimulant Medication on ADHD Children's Attributions" submitted to Pine Rest Hospital, Grand Rapids, MI. I collaborated on this grant (Dr. J. Scott Allen, Jr., Principle Investigator). Funded from 10/92-9/94.
\$4,971	"Computerized Interactive Parent Skills Training & ADD [Attention Deficit Disorder]" submitted to Faculty Research and Creative Activities Support Fund, Western Michigan University. Funded in 5/95.

\$50,000	"Enhancing informed consent with depressed subjects" submitted to NIH 3/97. Unfunded.
\$6,000	"Enhancing informed consent with depressed subjects" submitted to Research Initiation Program, Office of Research, Mississippi State University. Funded in 1/98.
\$2,500	"Enhancing Teaching Technology Resources in the Psychology Department" submitted as Schillig Special Teaching Project to Office of Research, Mississippi State University. Funded 4/98.
\$78,380	"Evidence Based Medicine" I was PI for this grant through the U.S. Department of Health and Human Services, Office of Rural Health Policy for the Rural Health, Safety and Security Institute, Social Science Research Center, MSU. "Rural Health, Safety and Security Institute" from the U.S. Department of Health and Human Services. Funded 7/1/00-12/31/00.
\$39,238	"Diagnostic and Referral Practices for Attention Deficit Hyperactivity Disorder" I was PI for this grant through the U.S. Department of Health and Human Services, Office of Rural Health Policy for the Rural Health, Safety and Security Institute, Social Science Research Center, MSU. Funded 01/01/01-07/15/01.
\$10,232	Extension for "Diagnostic and Referral Practices for Attention Deficit Hyperactivity Disorder" grant through the U.S. Department of Health and Human Services, Office of Rural Health Policy for the Rural Health, Safety and Security Institute, Social Science Research Center, MSU. Funded 01/01/02 – 05/15/02.

EDITORIAL EXPERIENCE

- Invited reviewer for Evidence-Based Practice in Child & Adolescent Mental Health
- Invited reviewer for Journal of Child and Family Studies, Behavior Therapy, & Journal of American College Health.
- Invited reviewer for books submitted to Allyn and Bacon, Worth, & Wiley
- Assisted Robert Schleser, Ph.D. in reviewing manuscripts submitted to: Behavior Therapy, Journal of Cognitive Therapy and Research, & Journal of Sport and Exercise Physiology

TEACHING AWARDS

1999, 2004 Faculty Member of the Year. Awarded by students of the Psi Chi honorary society (Mississippi State University chapter).

THESIS COMMITTEES CHAIRED

Dissertations Chaired (while at Mississippi State University)

- | | |
|-----------------|---|
| Joanna Hachtel | “Predictors and correlates of nonprescription stimulant use”
Defended 07/17 |
| Brittany Kinman | “Using the Health Belief Model to identify factors that prevent non-prescription stimulant use”
Defended 12/17
(Co-chaired with Dr. Kristina B. Hood) |
| Morgan Dorr | “Sleep and executive function as predictors of impairment from ADHD symptoms”
Defended 6/19 |

Dissertations Chaired (while at Western Michigan University)

- | | |
|---------------------|---|
| Catherine Karas | "Human impulsivity: Effects of reinforcement procedures."
Defended W '97. |
| Maria Channell | “Does reinforcer preference predict outcome of parent training program?”
Defended S '97. |
| Barbara Todd-Nelson | “An assessment of generalization across settings of a parent skills training program for ADHD children.”
Defended S '97. |
| Ann McGrath | "Validity of the of the NIMH DISC IV ADHD subscale."
Defended F '99. |
| Dwayne Munneke | “The acceptability and effectiveness of a computerized, multimedia adjunct to parent training.”
Defended '00. |

Masters Theses Chaired (while at Mississippi State University)

- | | |
|-----------------|--|
| Heath Patterson | "Perceived credibility of eyewitness testimony."
Defended 06/00. |
| Natalie Cowles | "Barriers to father involvement in mental health interventions for children."
Defended 06/00. |
| Lindsay Myers | “A survey of published researchers: Which ADHD participant characteristics should be documented?”
Defended 07/02. |

- Jesse Hartley "Review of documentation of ADHD diagnostic practices reported in a sample of high impact journals"
Defended 06/03.
- Laura Dawkins "An empirical review of researchers' AD/HD diagnostic practices reported in high impact pediatric, psychology and psychopharmacological journals"
Defended 03/04.
- Ji Hee Hong "Documentation of AD/HD diagnostic practices in high impact Korean psychology and psychiatry journals"
Defended 06/05.
- Shawanda (Gales) Holmes "A survey of clinical practitioners: Which ADHD participant characteristic should researchers document?"
Defended 05/06.
- Nichol Pritchard "Educational video impact on college student knowledge, opinions, and referral attitudes regarding Attention-Deficit/Hyperactivity"
Defended 07/08
- Shane Davis "Educational video impact on preservice teacher knowledge, opinions, and referral attitudes regarding Attention-Deficit/Hyperactivity Disorder"
Defended 06/08
- Rebecca Roberts "Review of diagnostic methods in the most cited articles for Anorexia Nervosa, Bulimia Nervosa, and Binge-Eating Disorder"
Defended 06/08
- Lindsay Klyce "Assessing parent-child agreement on an eating disorder symptom questionnaire"
Defended 10/08
- Lindsey McKay "Parental attributions for ADHD: Predicting treatment choices, treatment acceptability, and treatment satisfaction"
Defended 06/09
- Melanie Morse "Testing an experimental manipulation of social desirability and its impact on substance use self-report in late adolescents"
Defended 03/12
- Hannah Morton "Current trends in researcher methodology regarding the Asperger's Disorder diagnosis: Implications for the DSM-5 revision"
Defended 04/12
- Claire Kirk "Sex differences in how ADHD is sampled and studied in high-impact discipline representative journals"
Defended 05/12

Brittany Kinman	“Perceptions on nonprescription stimulant use among college students: Sharing and selling behaviors” Defended 12/14
Joanna Hachtel	“Illicit use of ADHD stimulant medications: Gender differences in Perceptions of Risk” Defended 08/15
Morgan Dorr	“Impairment in adult ADHD” Defended 01/18
Kara Nayfa	“Racial (and gender) differences in risk/benefit perceptions of illicit use of prescription stimulants by college students” Defended 10/18

Masters Theses Chaired (while at Western Michigan University)

Maria (Zoubek) Channell	“Effects of stimulant medication on ADHD children's attributions.” Defended W '94.
Barbara Todd	“An investigation of the effectiveness of a substance abuse education program with elementary school children.” Defended F '94.
Dwayne Munneke	“The effectiveness and acceptability of a computerized intervention program.” Thesis was completed at Ball State University and defended F '94 at W.M.U.
Margo Adams	“Attention Deficit Disorder and risk for HIV infection.” Defended W '96.
Ann McGrath	“Does parent skills training change parent behavior?” Defended S '97.

PROFESSIONAL MEMBERSHIPS

1985-current	American Psychological Association
1987-current	Association for Behavioral and Cognitive Therapies (formerly known as the Association for the Advancement of Behavior Therapy)
2013, 2105	Southeastern Psychological Association
1995-2001	AABT SIG: Computers and High-tech in Psychology
1990-1997	Association for Behavior Analysis

SERVICE

Departmental

- 10/15-present Graduate Coordinator, Psychology Department, Mississippi State University.
- 08/97-present Member, Clinical Training Committee, Mississippi State University.
- 07/13-present, 08/00-08/07 Member, Psychology Department Promotion and Tenure Committee, Mississippi State University. (Chair 2015)

Departmental Administrative/Service Committees (Past)

- 10/98-08/15 Academic Advisor, to undergraduate psychology majors, Mississippi State University.
- 01/13-08/14 Director, Clinical Psychology Emphasis Ph.D. Training Program, Psychology Department, Mississippi State University.
- 01/12-12/13 Director, Clinical Psychology Emphasis M.S. Training Program, Psychology Department, Mississippi State University.
- 01/03-06/12 Assistant Department Head & Graduate Coordinator, Psychology Department, Mississippi State University.
- 8/97-07/11 Member, Departmental Space Committee, Mississippi State University.
- 9/16/99, 10/18/05 Presenter, at Psi Chi Society sponsored colloquium on "Getting into Graduate School."
- 8/99-5/02 Advisor, departmental student newsletter, *The Scholar's Couch*.
- 8/01-8/03 Member, Undergraduate Training Committee, Psychology Department, Mississippi State University.
- 9/91-8/97 Member, Clinical Psychology Training Program Committee, Western Michigan University.
- 2/92-8/97 Advisor, Psi Chi Honor Society, Western Michigan University.
- 1/94-8/97 Member, School Psychology Training Program Committee, Western Michigan University.

College and University

- 4/93-9/95 Departmental Representative to Faculty Senate, Western Michigan University.
- 9/95-8/97 Member, Human Subjects Institutional Review Board, Western Michigan University.
- 11/23/98 Presenter, to President Portera's Executive Council. Discussed demonstration for Dr. Altenkirch's proposal on developing resources for computer-based instruction at the university.
- 12/7/98 Presenter, to Faculty Senate Executive Committee. Presented demonstration for Dr. Altenkirch's proposal on developing resources for computer-based instruction at the university.
- Spring '99 Member, for Review Committee appointed by the Associate Vice President for Academic Affairs to review proposals for the Otilie Schillig Special Teaching Project awards.

- 4/29/99 Panel Member, to Dr. Merrily Dunn's graduate "Instruction" class. The discussed issues related to academic careers.
- 10/22/99 Presenter, to School Psychology Doctoral Program. "Getting an Academic Job."
- 2/00- 8/00 Chair, ACHIEVE Program Staff Committee (over 70 members from 24 school districts, 4 community colleges, and 2 universities).
- 08/02-05/05 Member, University Committee on Courses and Curricula
- 10/12/04 Participant, Invited for informal luncheon with President Lee to discuss "The Student Environment at Mississippi State University"
- 08/12-05/15 Member, College Curriculum Committee, College of Arts & Sciences
- 03/17-08/17 Chair, 5-Year Internal Review Committee for Industrial Systems Engineering. Appointed by Provost.
- 09/16-present Member, Human Subjects Institutional Review Board, Mississippi State University. (Appointed to second 3-year term starting 8/19.)
- 08/18-present Member, elected member of Graduate Council representing the College of Arts & Sciences at Mississippi State University.

Professional Organization Service

- 10/99 Member, Association for the Advancement of Behavior Therapy Ad Hoc Committee on the AABT Web Site.

Public & Community Service

Consultation to Community Organizations

- 7/96-8/97 Consultant, ADD (Attention Deficit Disorders) Clinic of the Kalamazoo Center for Medical Studies, sponsored by the Major Disease Board, Kalamazoo, MI.
- 12/99-present Consulting Psychologist, Hudspeth Regional Mental Health Center, Kosciusko Group Homes for Intellectually Disabled Adults, Kosciusko, MS.

Public Appearances

- 1/99, 6/99, 7/99 Television Interviews, for "News You Can Use" segments broadcast on the largest station in each city in Mississippi, Alabama, Tennessee, Arkansas, and Louisiana. The segments were also sent for viewing on 120 stations around the continent. I was interviewed about "Long-Distance Grandparenting," "Tips for Senior Drivers," and "Dealing with Alzheimer's Disease."

Professional Workshops Given

- June 3 & 4, 1993 Presented workshop on "Communication Issues in the Workplace" to the Berrien County (MI) Health Department - Personal Health Division Staff Retreat. Two half-days. Attendance was approximately 75 staff.

- March 12, 1993 Speaker on "Attention-deficit Hyperactivity Disorder" at a half-day workshop at the Radisson Hotel, Kalamazoo, MI. Sponsored by the Pine Rest Hospital of Grand Rapids, MI. Attendance was > 120.
- September 23, 1993 Speaker on "Issues in the Diagnosis and Treatment of Attention-deficit Hyperactivity Disorder" at the Grand Rapids, MI Pine Rest Hospital. Attendance was > 200.
- January 17, 1994 Speaker on "Cognitive Behavioral and Medical treatments for Attention-deficit Hyperactivity Disorder." Half-day workshop for Burlington, IA Medical Center & local school district. Attendance > 100.
- February 19, 1994 Presenter at CULT (a computer user group for faculty) workshop on using Multimedia Toolbook software. Attendance was > 40.
- March 26, 1995 Speaker on "Challenges for the Treatment of Attention Deficit Disorder" at the Kalamazoo Public Museum Auditorium sponsored by Sigma Xi, The Scientific Research Society and the Kalamazoo Public Museum, Kalamazoo, MI. Attendance was approximately 30.
- March 8, 1996 Panel Organizer & Moderator on "The Future of Behavior Analysis." Sponsored by Western Michigan University's Psi Chi Chapter, Kalamazoo, MI. Attendance was approximately 200.
- March 22, 1996 Speaker on "Development of an Interactive Multimedia Program." One-hour presentation to university faculty and staff. Sponsored by Instructional Technology Services, WMU. Attendance was approximately 10.
- April 26, 1996 Conducted in-service on "Understanding and Working with ADHD Children." Three 45-minute workshops for teachers at Portage Central Middle School, Portage, MI. Attendance was approximately 45.
- September 26, 1996 Speaker on "Implications of ADHD Assessment." Workshop presented at conference on "Emotional & Learning Problems in Families." Attendance was approximately 10.
- February, 2000 – present Provided quarterly (or more frequent) in-service training to staff regarding behavior management programs for 10-20 adult clients in a mental retardation intermediate care facility, Kosciusko Group Home, Kosciusko, MS. Attendance: approximately 35 per in-service.
- April 2016 Taught Psychology ethics workshop: The use of decision-making models. Professional workshop earning CEU credits for participants - presented at the annual meeting of the Southeastern Psychological Association, New Orleans, LA.
- October 2017 Taught Psychology ethics workshop: The use of decision-making models. Workshop presented to faculty and doctoral students in the School Psychology doctoral program at Mississippi State University.

Other

- July 2014 – June 2018* *Elected member, Board of Directors, Starkville Academy, Starkville, MS.*
- July 2019 – June 2020* *Board-elected member, Board of Directors, Starkville Academy, Starkville, MS.*
